41st Annual
QUONNIE

Fourth of July
4 - Mile Fun Run
July 4th, 2017

Thank you to all of the 41st Annual Quonnie Fourth of July
Four Mile Fun Run and 2nd Annual "Lil" Fun Participants!

It was a great turnout of participants and volunteers that made our Quonnie Fourth of
July Runs special once again.

Our overall Male and Female Winners blazed the way with Christopher Dency
finishing in 22:17 (5:34/mile pace) and Julia Mainelli winning for the second year in a
row as our overall Female first place in 24:57 (6:14/mile).

The rest of our Age Group Winners went home as proud holders of the Quonnie Age

Group Medals.

The full race results can be found here: <http://ararace.com/quonnie-4-miler-4/>

Our 2nd Annual "Lil" Fun Run fielded 43 children who are in training for a future Fun Run 4-Miler. It was great fun all around watching the kids cross the finish line to receive Fourth of July Glow Sticks!

See you on July 4th, 2018!

Registration will open by June 1.

A special thank you to Kathy Alperin for the creation and selling of our first official race tee shirt. If you still want one, just email rusty@rueff.com.

Until next year, follow us on Twitter @QuonnieRuns

Have a great rest of the summer and keep running!
