

QUONOCHTAUG CENTRAL BEACH FIRE DISTRICT

March 31, 2020

Dear QCBFD,

Today, Rhode Island Governor Gina Raimondo announced that all state beaches, beach parking lots and parks will closed indefinitely as of Friday, April 3rd. In accordance with the state, we have decided to close QCB parking lot until further notice. You may continue to walk on the beach as long as you follow state mandated guidelines. It's important that our community take its part and put into place any and all precautionary measures.

Thank you for your understanding and stay well.
