

Quonochontaug Central Beach Fire District

Long Range Planning Committee Minutes, March 18, 2023

5662 Post Road, Charlestown, RI 02813

Present: Ellen Frost, Roy E. Jacobsen, Taylor Rettig, Diane McEnroe and Anthony Flint

Absent: Renee Cohen and Paul Mathews

Ellen opened the meeting with information updates:

1. DCFD Fire Truck Go round on CB Roads last fall. Findings were addressed to the Board of Governors for their follow up.
2. Water Upgrade project is on schedule. One successful bidder. Work now is getting various governmental body approvals. Active work will start in September and completion by Spring, 2024
3. April 22nd Earth Day sponsored by Quonochontaug Conservation Collaborative; volunteers needed
4. QCC update

August 6, 2022 Draft Minutes approved unanimously

1. Water metering discussion. Need to complete the report and send on to the BOG
2. On going Comprehensive Plan work has been progressing through the Fall and Winter. Writing is now taking place. Discussion regarding timing of communication with the LRP committee and BOG; suggested timeframe 2024. Rough timeline for next steps and completion of plan to be presented and discussed at next LRP meeting.
3. Discussion for other LRP projects: Discussed. A more robust communication plan and strategy for the community and records gathering and retention were discussed. Complete the Comprehensive Plan

No further business a unanimous vote taken to adjourn at 11:10am

Respectfully submitted,

Roy E. Jacobsen, Secretary

NEXT MEETING: May 13, 2023
