

**Quonochontaug Central Beach Fire District  
Public Works Committee Minutes  
June 16, 2018 @ 8:00 a.m.  
Charlestown Police Department  
4901 Old Post Rd, Charlestown, RI 02813**

**Approved Minutes**

**Attendance:** Vincent Reppucci; Jim Montstream; James Finn; George Prior; Tom Frost.

**Absent:** Richard Campbell; Greg Reppucci; Steve Peet; Bob Frazier.

**Guest:** None

**Meeting called to order @ 8:05**

**Discussion and possible action regarding reexamination of prior deep well drilling.**

After discussion PW Committee recommends proceeding with deep well exploration. This had been tabled from one year prior.

**Update of road surface resealing vs chip seal**

Chip seal estimate came in over \$65,000, more than the 48K budgeted for 2018 fiscal year. Second vendor suggested that chip seal not required. Discussion ensued and we will obtain a crack sealing estimate and plan for fall application and convert speed bump to speed hump then

**Update on water quality and recent Level 1 RIDOH Assessment.**

Level 1 assessment completed all repeat samples negative no source found suspect water level had risen from excess rain and snowmelt as cause of coliform in system

**Discussion and possible recommendation to BOG re: initiation of a fee for:**

- a. Curbstop shutoff and turn-on;**
- b. New water hookups**

History of connection fee reviewed. Discussion ensued. no motions made. Strong agreement to charge for curbstop shutoff and opening. NO action taken

**Discuss potential PW policy regarding pool installations and protection of potable water usage.**

Discussion ensued, options discussed, will recommend to BOG that eblast go out notifying community that filling of residential pools from potable municipal water supply is prohibited

**A motion was made, seconded and unanimously passed to adjourn the meeting at 9:50 AM.**

Respectfully submitted,

Vincent Reppucci
