

**Minutes of Meeting of
Quonochontaug Central Beach Fire District
Public Works Committee
July 18, 2021 at 8:30 am.
Via Zoom Videoconference (COVID RELATED)**

Present: Vincent Reppucci, Tom Frost, George Prior, Jim Montstream, Steve Peet, Fig Newton, Greg Reppucci, Dick Campbell, James Finn, Vin Bailey, Bob Frazier

Absent: Tiffany Van Eislander

Meeting Called to Order at 8:30 am.

1. Approval of Minutes of June 23, 2021 PW Meeting was delayed until next meeting
2. Update and possible action on iron remediation.
 - a. Status of Pilot Testing 2 vs 3 vendors
 - b. Motion made, seconded and unanimously approved
 - i. "PW Committee recommends that the BOG approve up to \$175,000 to proceed with pilot testing of three systems: Ultra-filtration, Greensand filtration, Specialized Media Filtration; and PW unanimously agrees water treatment system be applied and expeditiously installed to both well #1 and Well #2 .
 - c. Pumphouse size, location discussed to assure future upgrades, PFAS, etc. and keep present pumphouse functional for future requirements.
3. Water RIDOH update
 - a. PW committee discussed need to install iron amelioration and water treatment of both wells and integration with the present 4-log chemical disinfection standalone well#1 design in front of RIDOH.
4. Water connection West Beach Road Lots
 - a. Several potential connection options to bring water to West Beach lots were discussed. Cost of providing the connection will be determined by BOG per prior protocol.
5. LED lights have fully been installed and under PRISM control. Lighting levels seem to be proper. Thank you to Fig Newton for overseeing the final implementation.
6. Motion to adjourn @ 9:35 am

Respectfully submitted
Vincent Reppucci

Approved 11/13/2021
