### **QCBFD Beach Rules and Regulations**

**Blatant eating and drinking on the beach this past week were  
disturbing to many of our residents; 'concealed' eating too!  
Both residents and their guests as well as unknowns were in  
violation of the Beach Rule: NO EATING AND DRINKING ON THE  
BEACH.**

**Additionally, your trash , pizza boxes, and **glass bottles** were  
either left in the parking lot or at the beach attendant's block  
for other residents to dispose of.**

### **A REMINDER:**

**No coolers, food or beverages shall be brought onto the beach.  
No food of any kind, no cans, no bottles. Yes water is allowed  
on the beach; eating in the parking lot is permitted as long as  
you take away your trash!**

**No trash to be left in the beach parking lot and/or at the block.**  
This includes pizza boxes, broken beach toys, bottles, food containers, etc...

**The rule applies to ALL on the QCBFD beach - whether you are an owner, an owner's offspring, a renter, or a guest!**

**For QCBFD residents, it is important you review these rules with your family members and guests.**

**For QCBFD residents who rent, it is important you review these rules with your renters and their guests.**

**The cooperation of our community is essential.**
