

## **QUONOCHONTAUG CENTRAL BEACH FIRE DISTRICT**

**May 31, 2019**

**We are sad to note the passing of Ed Palmer, our long time recycling and refuse contracting partner since 2006. He died suddenly last week on the job at the age of 57. Several residents have indicated an interest in donating to the Ed Palmer family to help support them as they grieve their loss. We will undertake a collection for Ed's surviving widow, Susan and the family.**

**If you are interested in participating, checks should be payable to: Quonochontaug Central Beach Fire District and sent to our Treasurer, Roberta Peet, at 57 Surfside Avenue, Charlestown RI 02813. Please designate as "Palmer Family Donation". Donations will be accepted until June 11th.**

**For those who may want to send condolences, the mailing address is:**
