**Meeting** called to order by Chair: Renee Cohen at 9:05 am

**Present:** Renee Cohen, Roy E. Jacobsen, Paul Mathews, Anthony Flint, Diane McEnroe, Alex Schultheis. Members of the public: Ellen Frost

**August Draft Minutes** were approved unanimously.

Renee Cohen provided an update on the October Board of Governors Meeting.

Renee then led a discussion of the Top Priorities Work Plan which was generated based on the LRP Community Plan information gathering of the past two years. The Committee reviewed the top priorities and identified a lead LRP member for four of the five top priorities, and discussed possible QCB residents and external resources to assist on each of the top priority work streams. Based on this, each lead will begin outreach to others in the community to develop a team to work on their respective work stream, with a recognition that some of the work streams will need to engage with existing QCBCFD Committees.

Next meeting is May 18, 2024, 9 am. Location TBD.

Proposed additional 2024 meetings are June 22, July 20, August 24, September 21 and October 19.

Adjournment at 10:25 am.

Respectfully submitted,

Diane McEnroe
